“Life moves
pretty fast, if you
don’t stop and
look around
every once in a
while, you could
miss it.” - Ferris
Bueller

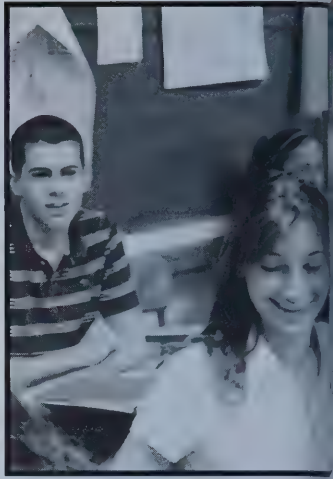

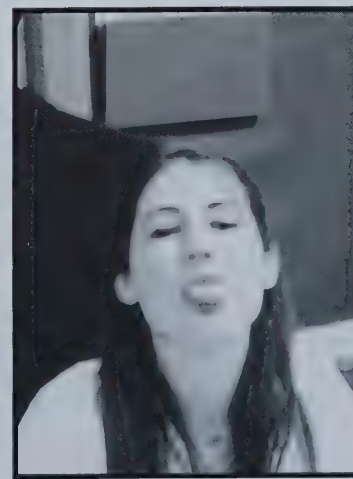

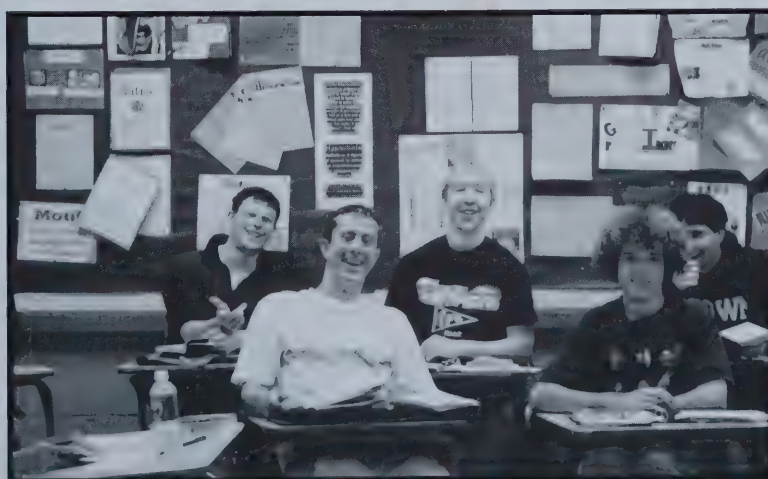

“This is not the end.
It is not even the
beginning of the end.
It is perhaps, the end
of the
beginning.”

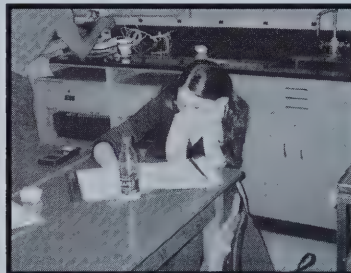

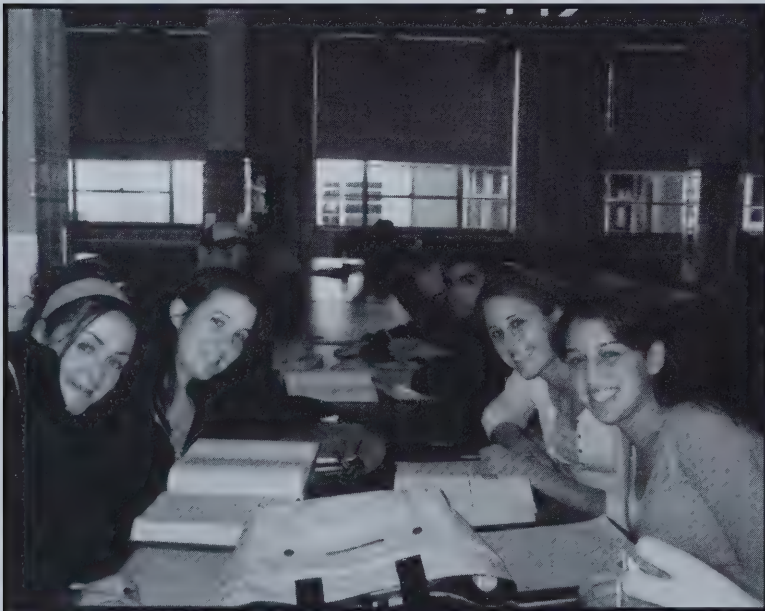

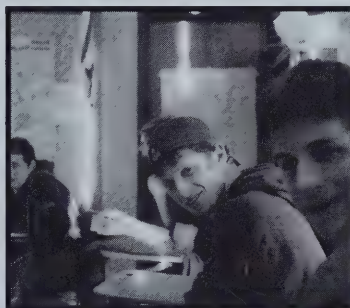

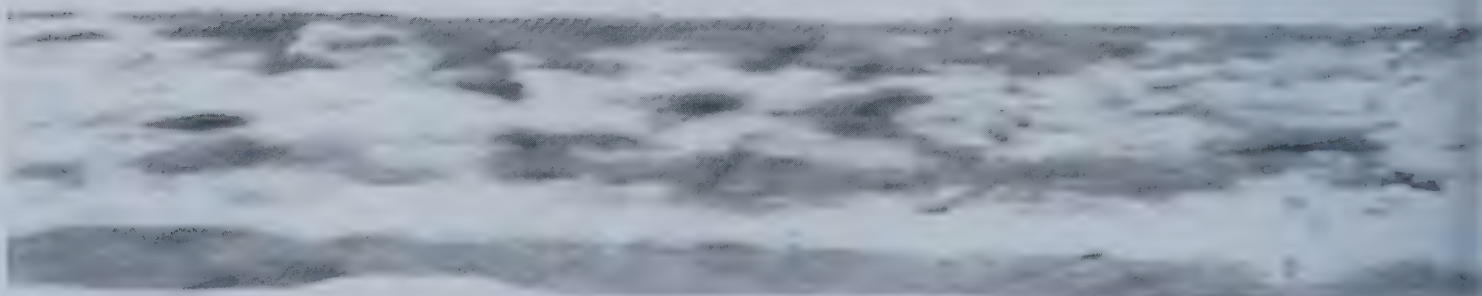

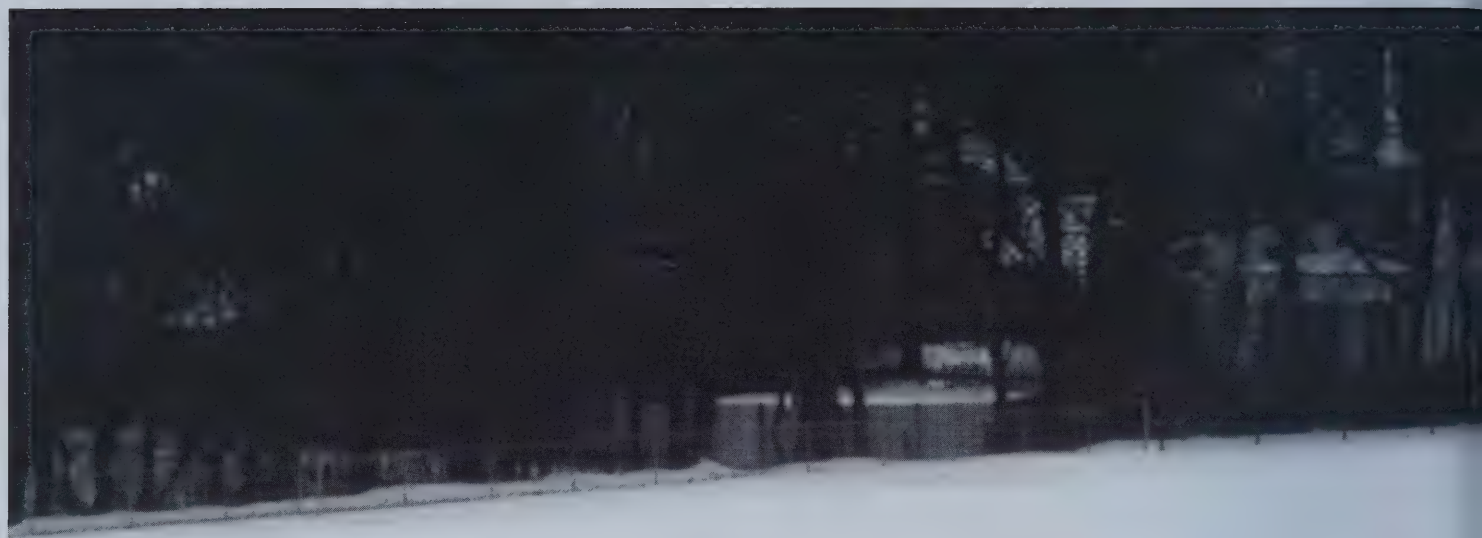

It's something unpredictable,
but in the end it's **right**. I hope
you had the time of your life.”
-Third Eye Blind

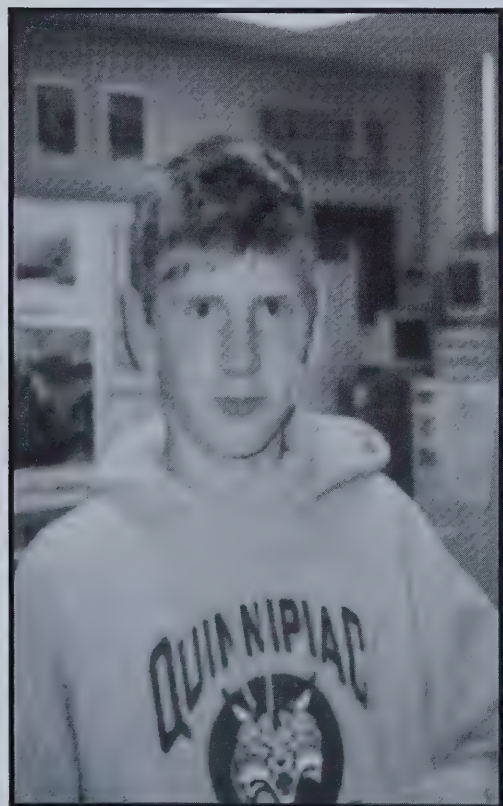

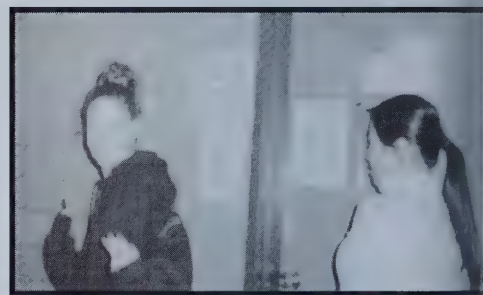

“There are places I remember, all my life, though some have changed. Some forever not for better, some have gone, and some remained. All these places had their moments, with lovers and friends I can recall. Some are dead and some are living. In my life I’ve loved them all. But of all these freinds and lovers. There is no one who compares with you and these memories lost their meaning when I think of love as something

new. Though I know I’ll never lose affection for people and things that went before. I know I’ll often think about them, in my life I’ll love you more.”

-The Beatles
